This review will take place at the beginning of your course. It will take about one hour.

1 What are you doing here?

Why did you apply for this course?

What's your greatest hope for this course?

One thing I really want from this course is...

Imagine yourself at the end thinking "what a success!" What will have made it successful?

What will it change for you?

I am on this course because...

I am most looking forward to...

I am most dreading...

I will succeed because...
